Company Overview

About us

Premium Medical Services Limited was, until 1995, a Medical Department of the Zambia State Insurance Corporation (ZSIC). It was sold as Management Buy Out in 1995 and has since then been operating as a Private Limited Company. It is one of the rare success stories of the Privatisation Programme undertaken by the Government of the Republic of Zambia.

1. Business Phylosophy

Premium Medical Services Limited is committed to ensuring corporate integrity and ethical conduct through our compliance, regulatory, training, and legal obligations. We are committed to protecting our clients' privacy, meeting all licensing and legal obligations.

2. Our Vision:

To be a highly Developed Health Care Provider with a first-class Hospital in Lusaka and Satellite Centres in other economically viable areas in Zambia.

3. Mission Statement

To provide Excellent Health Care with Integrity to the satisfaction of the Patients and Clients by Employing Highly Qualified, Effective, Efficient and Motivated Human Resources while using the latest Equipment and Technology to create value for our Shareholders.

4. Company Values:

We believe values are critical in supporting the company shared vision as well as shaping a lasting corporate culture. The following are our company values:

Integrity

the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values

Excellence

The quality or state of possessing good qualities in an eminent degree; exalted merit; superiority in virtue. An excellent or valuable quality; that by which any one excels or is eminent; a virtue or value

Sustainability

We're a company of brands and people with a big purpose: to make sustainable living commonplace. The Sustainable values are the blueprint to achieve a better and more sustainable future for our company.

OUR COMPANY FACILITIES

To date, the company has grown in terms of Financial and Infrastructural Strength to ably provide Quality Medical Services to the Public. We have a well-equipped Laboratory, X-ray, Pharmacy, Wards, and the Maternity Service which operates 24 hours with four Resident doctors on site during working hours and one part time doctor after hours.

Services

Medical Consultation

Our physician's central duty is to carry out the investigations and procedures necessary to establish a diagnosis, and then to give advice and provide treatment where appropriate.

Digital X-Ray

An x-ray, which is short for x-radiation, is a type of imaging test that has been utilized for years. With this technology, doctors can see your bones, muscle and more without having to make an incision.

Ultra Sound

Premium Medical Services offers a fully managed Ultrasound scanning and diagnostic services for the NHS and independent private healthcare providers. We have an array of small and large state of the art medical equipment imaging system.

Laboratory Facility

Where tests are usually done on clinical specimens in order to obtain information about the health of a patient as pertaining to the diagnosis, treatment, and prevention of disease.
